MORTGAGES,

For Increased attraction at Mrs. SMAL-

ees much injured by the unequal winter, still promise a fair yield.

the year 1860.

well filled on Saturday morning, with ear. House until the public business has as- to mind their own business. I say genely vegitables. We rather thought more sumed a shape warranting that move- ral, because I mean it; however, like other abundantly, and in advance of, former ment. The Senate is grately in arrear towns of any note, there will breathe a few, seasons.

CATHOLIC CHURCH .- The brick work of of the new Catholid Church has been commenced and the walls are rising rapidly,

ly in this city a short time since, have re- until July 1st, 1860. turned; and will give their second entertaincome, to ensure them full houses.

OFF FOR THE RESERVOIR -Just at the moment of this writing, there stands in Main Street, opposite our sanerum, three express wagons, freighted with camp equipments and fishing tackle, and maned by ten live Republicans, all bound the change of weather. Of course it is ad. In their retreat they left their tools, for the reservoir. They hail frem Adelphia Poss County Ohio.

are John Lyons, 'Geo. Eckant and Mr. a single bottle to be convinced of it efficacy. Our farmers are considered wide awake Towns.t.—the Claspill corner.

TT The Steam Canal Packet is a success. It has performed a trial trip to Logan and back, fully answering the desires of all parties concerned.

The enterprize is due to our fellowcitizen, W. P. Danst. He has in his for circuses; a daughter entered the proemploy, some of the finest draftsmen and fession of model artists, and another son lie pump, (ty the way a very good one,) machinists that are to be found.

We call special attention to the notice of a new firm, under the name of Brokroup & Oaps, which appears in our paper to-day. We beg leave respectfully to suggest that it is the first interest of every community, to patronize home manufactories. These gentlemen are energetic men. Bring on your wool, and buy their manufactured goods.

JIMMY our AGAIN .- In another column of to-days paper, we publish JIMMY LYONS' announcement of new arrivals of Goods.

This is the second trip that our enterprising young friend has made to the East to a large success in tusiness, which he dudge Whitman on the bench. is worthily entitled to. We notice that he has a large and superior stock of Goods; and that his store room is being thronged with customers.

SUDDEN DEATH .- Mr. JOSEPH KEELER, a highly respectable and useful citizen of this county, died suddenly on Sunday morning the 18th icst., at his residence, '8 miles north of Lancaster, Mr. Keller was in usual health and served on the Jury during the previous week. This it is triumphs are the moral victories. suden death is doubtless the result of heart disease, to which he was subject, 'We have been informed, that his Funeral serwices were attended by an unusually large concourse of citizens. He leaves a wife and two children. He was a son of Daniel Keller, Esq.

COOK HOUSE. The Tallmadge and Shæffer Houses, so long and favorably known in this city, had with him a wagon load of Books con-Mr. A. E. Cook. Mr. Cook is an ex- works: and a few copies of Helper's Im perienced hotel keeper, and has fitted up pending crisis. The victim was stripped and comfort, unsurpassed by any similar fagots and tar and then set on fire. house in Ohio. We notice from a circular which Mr. C. has issued, addressed to Please see his circulars.

This we think a fine arrangement; and we would be glad to see the Cook House liberally patronized in this way. It is certainly very pleasant for those who visit Lancaster from the surrounding country. they stay. There are no establishments with your fists. in any town or city, which contribute more substantially to the general prosperity and convenience of the public, than cant!" good hotels. Let Mr. Cook be amply sustained by our citizens. The patronronage thus bestowed upon his house, will be adepuately returned, by enhansing the general interest.

Chicago Convention. The suming up of the indications from the Republican Convention, by telegraph,

cations are given, that the main fight will a town; -- and it just now occurs to my be between Lincoln and Seward, with mind, that I have heard it said somewhere LEY'S. See her card in another column of chances in favor of the latter. It has also and by some noted person, that Basil was transpired, that there is authority there to bring Mr. Fremont forward, in a certain a State of itself. But be that as it may, WHEAT CROPS .- The Wheat fields contingency, to sweep the field. Before I conceived an idea that a few occasional through this county, though in many pla- our next i-sue, we shall be prepared to lay jettings from Basil and vicinity, might not before our readers the result.

CENSUS OF 1860 .- The first of June, is terfering seriously with the progress of transpires, even 'round 'bout here, that the time fixed by law for the officers to work in Congress, and in consequence, it would do to put in type. commence the taking of the census for is now said that the adjournment will Our citizens are noted at home, (I have The Marker .- Our City market was at Baltimore. It was understood that Sawand
would receive 90 votes on the first ballot. 119 is necessary to a choice. Indiwalked its busy streets, nevertheless it is

stamped upon our mind, that there was Re See notice of the Self-Heating consideralle of the Yankee about him, and Smoothing Iron in another place. My so it turned out. He had not gone far from town when, he hailed a farmer by the name of A-, (people don't like to be exposed) planting potatoes. The old coon endeavored to get a horse trade out of ing what potatoes he had in a bucket from which he was planting, there being about one half peck. Farmer A, said he would Syngiones, only 20 years of age, preach Sabbath take twenty five cents. Done, said the He forked over the change, and again wended on his way. Probably the distance of four hundred yards had been traveled over, when he met farmer C, on horseback-a considerable older man than A; stopped him, and introduced his pota- the Success Unparalled in the Annals toes as being a new kind, yielding at least one-half bushel per hill. Said introduction succeeded in deducting from the pocket of

Mr. C, the sum of 25 cents for one potsto. A little further on he received one dollar for three potatoes from Mr. D., and twenty-five cents for another potato from Mr. G. How many more sells he made, I have not heard, but presume he made a
